RE: Section 104 Inquiry on Artel Chemical Corporation

Dear Mr. Miller:

Per our conversation of November 15, 1989, I would like to confirm the 30 day extension given on our deadline to comply with the Section 104 Request for Information on Artel Chemical Corporation. This extension would set a new deadline date of December 24, 1989.

As you explained, through the Freedom of Information Act, we may request a copy of our file dealing with Artel. I would like to make that formal request for copies of such documents at this time.

It was a pleasure talking with you and should you have any questions in the future, please contact me at 404/386-1046.

Sincerely,

Nancy A. Gribble
